About

Guaranty Trust Bank Ltd (GTBank) is one of Nigeria’s most recognisable financial institutions and a leading provider of retail, corporate, investment, and digital banking services. Founded in 1990 and headquartered in Lagos, the bank has built a strong reputation for innovation, customer experience, and efficient service delivery across Nigeria and other key markets.

GTBank operates as a major banking subsidiary of Guaranty Trust Holding Company (GTCO) Plc, reflecting the group structure adopted in recent years to support broader financial services operations. Through this structure, GTBank continues to serve individuals, businesses, and institutions with a broad range of products designed to support everyday banking as well as more complex financial needs.

The bank’s service portfolio includes personal banking, business banking, corporate banking, investment banking, internet banking, cards, loans, savings and current accounts, and asset management solutions. Its digital banking platform has been a defining feature of the brand, with online and internet banking services available around the clock for customers seeking convenient access to financial transactions. This digital-first approach has helped GTBank stand out in Nigeria’s competitive banking sector.

GTBank has expanded beyond Nigeria through subsidiaries and operations in several African markets, as well as the United Kingdom. Its presence includes countries such as Ghana, Kenya, Côte d’Ivoire, Gambia, Liberia, Rwanda, Sierra Leone, Tanzania, Uganda, and the UK. This regional

footprint supports its position as a pan-African financial services brand with cross-border reach and international relevance.
